

Mayor Kastberg called the meeting to order at 6:00p.m.

PRESENT: Trustee Gifford, Mathes, Rizzo, Tiberio and Mayor Kastberg

DISCUSSION OF PARK STAFFING

Supervisor of Parks and Recreation Marx and Superintendent of Department of Public Works Kohout in attendance.

The Mayor presented the concept of extending the current extended seasonal laborer position assigned to the park to a full time position. Reasons given for the change included the increased services added to the park over recent years, the need to develop an experienced candidate to mitigate retirements which are likely coming soon, and the quality of the current candidate pool. The position was outlined through civil service as a laborer position assigned to the park. The Village currently has several open positions, so no action would be needed to create a new spot. Discussion was held on finance and revenue options for future budgeting purposes in order to support the position long ter. As a result of the discussion the Board agreed to authorize the Superintendent to hire one additional laborer
