Mr. Ryan Kedzior
Superintendent of Public Works
Village of Scotia
4 Zoar Court
Scotia, NY 12302

RE: PIN 1811.13, Pavement Corrective Maintenance 22A
Village of Scotia
Schenectady County

Dear Mr. Kedzior,

The subject project is in the preliminary design phase of development.

The current schedule is:

PLANS, SPECIFICATIONS and ESTIMATE	November 18, 2021
LETTING	February 3, 2022
AWARD	Late March, 2022

The project scope involves resurfacing and repair of sections of the Rt, 147 roadway and shoulders within the Village of Scotia, Schenectady County, and other state roads as identified in the maps attached. Known affected Utilities are identified in the attached Utility Table.

This project will require height adjustment of existing water valves and sewer manholes. Please advise this office of your existing facilities locations, any scheduled work, previously approved Highway Work Permits, maintenance, etc. within the project limits. If water or sewer facilities are privately owned, please let us know the owner, and provide a contact.

Preliminary underground utility information is needed at this time to develop the DISPOSITION OF UTILITIES WORKSHEET. As the Project progresses, the completed DISPOSITION OF UTILITIES WORKSHEET and plans will be provided for your review and comments.

Please call me at 518-457-3372 if I can be of further assistance.

Very truly yours,

Mr. Yan Babichenko, P.E.
Region 1 Utilities Engineer
