**VACANT BUILDING ORDINANCE**

The board discussed a registry and maintenance of vacant building; discussed definition of vacancy. Board will continue to review proposed ordinance.

**FEE FOR CERTIFICATE OF OCCUPANCY SEARCH**

The Building Inspector performs several Certificate of Occupancy/Zoning Status searches, which some banks require stating any outstanding violations, zoning of property and if a certificate of occupancy was issued. This is currently treated as a FOIL request and is charged the fee based on that. The current fee for a tax search is \$20. The Board of Trustees proposed to amend the fee schedule as follows:

Tax Search \$25

Municipal Building Department Search \$25

The fee schedule will be amended at the regular July board meeting.
