From: Chief Wood

Subject: Allocation of proceeds from sale of surplus truck

Mayor, I would like to request that the proceeds (\$10,120) from the sale of our surplus 2005 pickup truck be added to budget line A3410-4540 to be used to offset the cost of a new motor for our boat and the grant that we received for that motor and to cover part of the cost of recent unbudgeted emergency repairs on our first out engine. The money break down would be as follows:

Sale of surplus truck	\$11,500.00	
Auction fees	(\$1,380.00)	
Total proceeds	\$10,120.00	
Replacement motor for boat	\$16,723.81	(Low bid/quote)
County Grant	(\$11,070.00)	
Remaining balance	\$5,653.81	
Proceeds	\$10,120.00	
Difference from grant	(\$5,653.81)	
Remaining	\$4,466.19	

The remaining balance would be used for emergency repairs to our fire engine E-2021.
