Beginners, Intermediate, and Those Who Want to Play on Their School Teams

The SCTA will offer comprehensive instruction through daily lessons, drills and games. The lessons will be sequential – starting with footwork and eye-hand coordination drills, then moving on to the basic forehand, backhand, volley, and service strokes. Lots of drills and games are employed to teach these fundamentals. For the more advanced player – lobs, overheads, approach shots and spins are taught. Players are also introduced to proper tennis etiquette and sportsmanship, how to keep score, how a tournament is run and the proper stretching and exercise techniques.

Applicants are encouraged to bring racquets, but if they don't have any, one will be provided. Balls will be provided. They should also bring a water bottle and a fruit snack. There will be 15-minute hourly sit-down breaks.

Jim Neal will be the instructor this year. He will have at least two assistants. Jim is an experienced instructor from Sportime and is currently the Niskayuna High School boys' and girls' Varsity Tennis Coach. Jim is a USTA clinician. He is a board member of both SCTA and USTA Northern Region; Eastern Tennis Association.
