2. The work will be completed by Enginuity Engineering & Design, PLLC who will serve as the consultant to the Village of Scotia.
3. The project will be completed in accordance with the Secretary of the Interior's Standards for Rehabilitation.

Upon our receipt of the above and following NYSCA's release of funds to the Preservation League, we will issue a check for the grant amount and mail it directly to you.

Please wait until you have received our official press notification before publicizing your grant award. We will provide your group with a copy of the media release and ask that you use it in making the official announcement of your award. Once that has happened, please send copies of and links to any articles about this project (including your own newsletter and website).
