DISCUSSION ON JUNE 30TH FIREWORKS
The board discussed the lack of commitment by public safety agencies related to the June 30th event; Scotia Patrolman's Benevolent Association also addressed the board with concerns.

MOVED by Trustee Brown, seconded by Trustee Gray that out of concern for public safety, the Village of Scotia is not proceeding with the fireworks scheduled for June 30, 2023.
Ayes: Trustee Brown, Cook, Gray, Solotruck & Mayor Bucciferro
Noes: None
Abstentions: None

The board prepared the following press release:
In an effort to provide additional public safety resources to the historically Jumpin' Jacks sponsored fireworks, the Village Board made the decision to adopt the fireworks as a Village Sponsored Event. As of this date, the Village does not believe there are sufficient committed resources to ensure the safety of the attendees, staff and the broader community.
As a result, the board has made the very difficult decision to not proceed with the event scheduled for June 30, 2023.
As Village residents, and people who bring their families to this event each year, we share in the public's disappointment.
We thank the public and Jumpin' Jacks for understanding that public safety is our shared utmost concern.

ADJOURNMENT
MOVED by Trustee Brown, seconded by Trustee Gray to adjourn the meeting at 8:30p.m.
Ayes: Trustee Brown, Cook, Gray, Solotruck & Mayor Bucciferro
Noes: None
Abstentions: None

Respectfully submitted,

Maria A. Schmitz
Clerk to the Village Board of Trustees
