NY FORWARD PUBLIC MEETING

JULY 2nd 6 pm

Scotia Village Hall | 4 North Ten Broeck St., Scotia

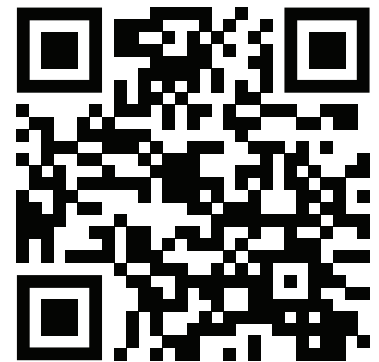

The Village of Scotia invites all community members to a public meeting to discuss the Village's planned NY Forward application.

The Village of Scotia is seeking \$4.5 million in funding from the NYS NY Forward (NYF), a program specifically designed to transform the State's smaller communities into vibrant activity centers that offer a high quality of life and catalyze sustainable economic development bringing residential, social, and environmental benefits.

At the Village Board's scheduled Work Session on Tuesday July 2nd at 6 PM representatives from the consulting firm assisting with the application will be on-hand to provide an overview of the funding program and application process, discuss priority projects identified in the Envision Scotia planning process, and here from you about what you would like to see funded.

Do you have a project that you want to propose? How should public dollars be invested to transform the area? Please attend the meeting and share your input.
