VILLAGE OF SCOTIA MS4 ANNUAL REPORT SUMMARY

Trustee Cook read the following report aloud:

Village of Scotia MS4 Annual Report Summary

January 3, 2024 – January 2, 2025

MCM#1 Public Education

1. Stormwater pamphlets, handouts and posters are available at the Village Clerk's Office, DPW Office and Building Department Office.
2. The Village water quality report postcard was sent to all residents and included a link to the Village's MS4 Program web page.
3. Yard waste and loose leaf pickup programs were posted on the electronic sign in Collins Park, on the Village website, in the newspaper and the mass email list of 1,443 residents.
4. A stormwater display was set up at the Village Fire Department Open House event. Stormwater brochures were also made available.
5. Phosphorus reduction information was provided to the residents near Collins's lake as Collin's lake is listed by NYSDEC as an impaired water body due to phosphorus.

MCM#2 Public Involvement / Participation

1. Schenectady County Water Quality Committee Meetings – the Village is represented at all 10 meetings each year. Meetings were held in person and virtually.
2. The Stormwater Management Plan (SWMP) is posted on the Village website and available at the DPW office for review and comment.
3. Approximately 24,000 pet waste bags were utilized over the course of the year in Village parks.
4. The 4th of July fireworks cleanup was attended by DPW/Park staff and 3 volunteers and over 150 bags of trash were collected during and after the event.

MCM#3 Illicit Discharge Detection & Elimination (IDDE)

1. All 25 storm sewer outfalls are mapped within the Village. Ten (10) were inspected during the reporting period, which exceeded the 20% minimum required.
2. The locations of storm sewer outfalls and catch-basins are mapped and available for view on the Schenectady County Internet Mapping System (SIMS).
3. An Illicit Discharge Prevention information package was drafted to be included in the SWMP. An Enforcement Response Plan was also drafted to assist with standardization of enforcement actions for illicit discharges.

MCM#4 & #5 Construction Site and Post Construction Control

1. During the program year, there were zero projects requiring SWPPP reviews.
2. The Village inspected three (3) post-construction stormwater management practices that are owned by the Village, several times each during the year. Maintenance was performed as needed, including mowing of the grassed areas.
3. The Village maintains a list of active construction sites and will prioritize their inspection based upon potential environmental impacts.
4. A construction oversight program and a post-construction maintenance and inspection program were established during the reporting period and incorporated into the SWMP.

MCM#6 Municipal Operations

1. During the past year:
 - a. Village streets were swept at least two times each for a total of 208 miles cleaned and approximately 10 acres of parking lots were swept.
 - b. 30 Catch basins were inspected and cleaned as necessary (approximately 4% of the system).
 - c. The Parks Department applied minimal amounts of fertilizer in Village Parks and none near Collins Lake to help combat high phosphorus levels.
 - d. Fifteen (15) DPW staff attended the Good Housekeeping and Illicit Discharge Detection and Elimination training held by the Schenectady County Soil Conservation District on January 30, 2024.
