MOVED by Trustee Cook, seconded by Trustee Gray that

Whereas Ryley Holt presented his idea pitch for interpretive signage at Collins Lake. Ryley would like to have two signs located within the park, one sign at Collins Lake near the beach entrance and the other located at Quinlan Park. One sign will be a “Welcome to Collins Lake” and include information about protecting and preserving Collins Lake and how you can help. The second sign will include information related to Biodiversity at Collins Lake or “The Living Lake”, which explains native species of fish, and invasive species and how that may be affecting our lake. Ryley consulted with superintendent, Ryan Kedzior to obtain correct and up to date information regarding Collins Lake.
