LOCAL LAW 2025-E RELATING TO 25 MPH SPEED LIMIT

Tom Milander, Village Traffic Engineer, provided the following information related to Local Law 2025-E:

Village of Scotia Speed Limit 25

The Village of Scotia is requesting the posted Speed Limit on all streets (State Highways, collector streets, and residential streets) to be at 25 miles per hour.

During the recent five years (January 2020 through December June 2025) there have been 640 vehicle collisions of which

- 15 were vehicle bicycle collisions (mostly with children ages 11 to 15 years of age)
- 12 were vehicle pedestrian collisions (with adults of over 50 years of age)
- 78 involved vehicles colliding into roadside objects such as utility poles, signs, hydrants
- 84 involved vehicles colliding into vehicles parked along the curb
- 144 involved vehicles traveling too fast and too close colliding in rear end collisions
- 79 involved vehicles making left turns
- 61 involved vehicles not yielding at intersections and colliding into the side of a vehicle
- 106 involved vehicles going around other vehicle and sideswiping the other vehicle.

The leading causes of vehicle collisions include

- 45% Driver inattention
- 19% Failure to yield to traffic
- 14% Following too Closely
- 11% Using the parking lanes as traffic lanes
- 10% Turning improperly – cutting the corners

The Village of Scotia during the recent seven years (January 2018 through December 2024) has experienced 21 vehicle - pedestrian collisions resulting in 3 fatalities and 13 personal injuries. 10 of the vehicle-pedestrian collisions occurred on State Highways intersections and 5 of the collisions occurred on side street intersections with State Highways.

The Village of Scotia during the recent seven years (January 2018 through December 2024) has experienced 11 vehicle – bicycle collisions resulting in 9 personal injuries. 7 of the vehicle-bicycle collisions occurred on State Highways:

However, the collisions were the result of vehicle speed exceeding the stopping ability of the vehicle to avoid the collision. While driving a vehicle (car, SUV, truck, or even a bicycle) you must first observe a hazard, react to the hazard and stop the vehicle.

Traveling at 30 mph your vehicle will travel a distance of 110 feet while your mind sees a hazard and reacts by applying the brakes, the vehicle takes another 100 feet to stop the vehicle on level dry roadway. Upon your seeing a hazard and stopping the vehicle will take time to passing two residences. Therefore, your attention has to be at least two residences ahead of your vehicle at all times.

August 13, 2025

Traveling at 40 mph your vehicle will travel a distance of 150 feet while your mind sees a hazard and reacts by applying the brakes, the vehicle takes another 155 feet to stop the vehicle on level dry roadway. Upon your seeing a hazard and stopping the vehicle will take time to passing three residences.

Traveling at 25 mph your vehicle will travel 90 feet while your mind sees a hazard and reacts by applying the brakes, the vehicle takes another 60 feet to stop the vehicle. Upon your seeing a hazard and stopping the vehicle will take time to passing one residence.

The Village of Scotia is requesting the posted Speed Limit on all streets (State Highways, collector streets, and residential streets) to be at 25 miles per hour. The objective of the 25-mph speed limit reduces vehicle speed to improve the stopping ability of the vehicle to avoid the collision.

Mayor Bucciferro stated that the State has approved a 25mph speed limit on Mohawk Avenue from Vine St. to Western Gateway Bridge. The Village also asked for reduced speed limits on Rt. 147 and Rt. 50; the State denied original request, the Village will continue to pursue.

a) Public Hearing

Mayor Bucciferro opened the public hearing at 6:50p.m.

Brian Sleasman of 111 Vley Rd.- moved to the Village for walkability; strongly supports reduction in speed limit as first step. Thankful for law enforcement; consider next step of encouraging people to slow down.

Charlie Brooks of 148 Sixth St.-supports reduction of speed limit; walks the park often; concerned with speed of traffic coming off bridge and along Ballston Avenue.

Jeff Silvernail of 111 No. Toll St.-walks and bikes village; favors reduction and encourage the board to appeal to state the limit on all state roads. Encouraged visual enforcement.

Kim Dreisenstock of 7Washington Ave.-supports reduction of speed limit; concerned with speed limit of cars coming off bridge.

Aaron Gruenberg of 354 Vley Rd.- Supports reduction in speed limit; traffic safety is changing across the nation.

Tad Boniewski of 503 Charles St.-asked if just vinyl on the existing signs could be changed to reflect the new speed limit.

Tom Gifford of 203 Lincoln St.-signage needs to be in place prior to enforcement; concerned with surrounded by 30 mph roads.

Bonnie Belfance of 121 Jay St.-crossing guard Albion and Meriline; suggested lowering speed limit additional 5 mph near schools.

Sue VanVorst of 146 Mohawk Ave-in addition to the reduction to 25 mph; encouraged education on attentive driving. Concerned with crossing Rt 50 at John St. toward park; encouraged crosswalk on roadway.

Mayor Bucciferro closed the public hearing at 7:30p.m.

MAYOR'S COMMENTS TO THE BOARD

Trustee Cook read the following proclamation in recognition of Ian Corbett:

WHEREAS, Ian Corbett has demonstrated exceptional dedication to Scouting America from his first-grade year as a Cub Scout in Pack 2, Scotia, New York, through his senior year of high school in Troop 3067, Glenville, New York; and

WHEREAS, Ian was recognized on Sunday, July 27, 2025, for achieving the rank of Eagle Scout, the highest rank attainable in Scouting America, along with earning an additional seven Eagle Palms, representing thirty-five merit badges beyond the twenty-one required for the Eagle rank; and

WHEREAS, Ian is an active member of the Order of the Arrow, the national honor society of Scouting America, and in 2022 traveled to Knoxville, Tennessee, to participate in the National Order of the Arrow Conference, engaging in team building, leadership training, and other activities alongside scouts from across the country; and

WHEREAS, Ian has contributed countless hours to developing the skills of younger scouts, working at Cub Scout day camps and Rotary Scout Reservation, where he completed National Youth Leadership Training and served as a camp counselor, instructing scouts in outdoor survival, first aid, public safety, and other essential skills; and

WHEREAS, Ian earned the prestigious Dr. Bernard Harris Supernova Award from the Twin Rivers Council STEM Committee, an honor requiring significant STEM-related achievements, merit badges, research, and presentation, and remains the first and only scout in the sixteen-county Twin Rivers Council to receive this award; and

WHEREAS, for his Eagle Scout Service Project, Ian renovated the Village of Scotia's beloved "Cub Corner" park, organizing community volunteers to install a new split rail fence, update electrical service, and plant a new pine tree, fully funding the project through fundraising and donations at no cost to the Village; and

August 13, 2025

WHEREAS, “Cub Corner” has been decorated each Christmas by Cub Scout Pack 2, one of the first Cub Scout packs in the United States, and Ian is a fourth-generation member of Pack 2, with his great-grandfather, John Steadwell, having helped plant the original tree there in 1932;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees of the Village of Scotia does hereby commend and congratulate Ian Corbett for his extraordinary achievements, leadership, and service to both the Scouting community and the Village of Scotia, and extends its best wishes for his continued success in all future endeavors.
